Dear Friend,

Now in as little as four months, you can train at home to be a Child Day Care Specialist. You'll enter a career that's satisfying, fulfilling and really helps kids and their parents.

Plus you can be ready to make good money when you graduate... in your own business or in a new career working for others.

**Parents and professional child care centers
need qualified Child Day Care Specialists!**

In two-thirds of two-parent homes, both parents work. And every parent wants a child care provider he or she can trust...at an affordable price. This is why there is such a big demand for child day care services.

**The secret to success is training and experience...with this
course you train at home and get real-world experience!**

It's true! Expert training is the key because the greater your knowledge of the day-to-day needs of children—the more you understand how to care for them—the more valuable you will be to public and private professional child care businesses.

With this step-by-step accredited course you learn everything you need to know to start working for a child care center or preschool or to open your own home-based child care center and be your own boss. You learn it all and you do it in the comfort of your own home in your spare time.

Enroll now and save money. No interest or

finance charges on our low monthly payment plan.

no finance charges ever!

That's right! No finance charges, low monthly payments...and you need no previous child care training! Plus you don't have to quit your regular job. Study just a few hours a week—go as quickly or as slowly as you want. Get your Diploma in as little as four months or take up to eighteen months to finish if you wish.

Work at home and get these special benefits...

- You can work as much as you want because Child Care Professionals can work full-time or part-time.
- Choose your own hours...morning, afternoon or night.
- You'll be your own boss, pocket all the income.
- No travel to work...save time, save money.
- Be at home when your children need you.
- Save on transportation, office clothes, taxes and more.

Work full-time or part-time.

Work a flexible schedule. The choice is yours.

Child Day Care is a great career with all kinds of advantages. You can work full-time or part-time, often during the hours that fit your schedule. So after you get your Diploma, you can keep your present job if you wish. Make extra money doing child care part-time and build your income as fast as you want.

**But it's not just the money that makes
Child Day Care such a great career...
employers will know that you "speak their language."**

Take this course and you will know how to talk to teachers and other child care professionals. And think of the satisfaction you'll get working in a career that really helps people.

And if your dream is to work at home, think how you'll enjoy working the hours you want...being there for your children... saving money on child care, transportation, office clothes, expensive lunches, possible tax breaks and much, much more.

It's all included at no extra cost, and you can get all the help you need from your instructors whenever you request it.

In addition to your lessons, you receive career tools to help in child development activities, reference books, special supplements and much more...all things you will use in your course and when you start working.

**HERE IS JUST A SMALL SAMPLE
OF WHAT YOU GET!**

Text materials cover every subject

Your lessons and supplements are easy to read and understand. They are user-friendly with lots of illustrations and other visual aids to make learning fun. Step by step you'll learn about the specific needs of children from preschool through elementary school levels.

Most importantly, you'll learn special techniques to help the children you care for develop to their fullest potential.

You'll keep these valuable texts to use as a reference source throughout your career.

Your Career Diploma

You will be proud to display this symbol of your professional qualifications...evidence that you have successfully completed your training and are ready to work in the exciting and very important field of Child Day Care. We will be as gratified to award you this diploma as you will be to receive it.
